

Someone You Loved – Lewis Capaldi

I'm going under and this time I fear there's no one to save me

This all or nothing really got a way of driving me crazy

I need somebody to heal

Somebody to know

Somebody to have

Somebody to hold

It's easy to say

But it's never the same

I guess I kinda liked the way you numbed all the pain

Now the day bleeds

Into nightfall

And you're not here

To get me through it all

I let my guard down

And then you pulled the rug

I was getting kinda used to being someone you loved

I'm going under and this time I fear there's no one to turn to

This all or nothing way of loving got me sleeping without you

Now, I need somebody to know

Somebody to heal

Somebody to have

Just to know how it feels

It's easy to say but it's never the same

I guess I kinda liked the way you helped me escape

Now the day bleeds

Into nightfall

And you're not here

To get me through it all

I let my guard down

And then you pulled the rug

I was getting kinda used to being someone you loved

And I tend to close my eyes when it hurts sometimes

I fall into your arms

I'll be safe in your sound 'til I come back around

For now the day bleeds

Into nightfall

And you're not here

To get me through it all

I let my guard down

And then you pulled the rug
I was getting kinda used to being someone you loved

But now the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved

I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved
